

# Industrial Hot Knife

Fully loaded with blazing speed and power.

Smoking fast and ruthlessly rugged. Unlike competitors models our 6" Industrial Hot Knife can be used for continuous periods of up to 45 minutes, and much longer if turned off between cuts.

## Knife Blades

4" and 6" rigid knife blades, cleaner and wrench.

## Industrial Hot Knife

Plunge, slice, dice and carve with power built right into the handle.

## Creative Blades

Four easy to hand-shape round and flat blades.

## Sled Guide

Two rigid yet shapable 12" groove blades included.

## Variable Heat

Adjust the heat for speed or more accurate cutting.
